And a Farewell

We are proud to also announced Dr. Alyssa Kievit has bought her own practice in West Hartford. That does mean she has moved on from our practice. Dr Kievit was a wonderful member of our team and will be missed by all of us. We do want to say congratulations and best wishes to Dr. Kievit for her exciting new journey.

Update

Dr. Brady is doing well and recovery from knee surgery. He does like to visit us from time to time and always keeps in touch.

Just a reminder

Don't forget to refer a friend and receive a \$25 gift card from one of our many local businesses around town as our special Thank you. We are still offering our Membership Program to our non-insured patients. Please call or just ask about it at your next appointment. It's a great way to get some inclusive discounts.

That's all for now. See everyone at your next cleaning. Happy Flossing!!
